

Board Performance Evaluation Policy

It is important that the Board review its own performance and those of its Committees (if any) with a view to achieving and maintaining a high level of performance. This Policy is applicable to each of the Boards and any Board Committees.

1. KEY FUNCTIONS OF THE BOARD

The Board Charter outlines the Board's responsibilities and powers and those which are delegated to management.

The Board reviews its performance and those of its Committees, if any, in carrying out key responsibilities in accordance with this Policy.

Each Director is expected to:

- (a) actively seek a full appreciation of the business of the Company including key business drivers, the risks facing the Company and applicable risk management policies and the regulatory environment in which the Company operates;
- (b) actively participate in open, honest discussion and bring an independent mind to bear on matters before the Board.

Each of the Directors will engage in a review of performance in accordance with this Policy.

The Board will meet periodically for the purpose of reviewing and evaluating the performance of the Board as a whole, in meeting its key responsibilities and achieving its objectives. As part of this review, the performance of the Board as a whole, each Director and the Chairman will be assessed.

The Chairman will meet one-on-one with each Director for discussion on Board performance and individual Director performance to allow each Director to raise all issues considered to be relevant to the review and evaluation. To assist with maximising the effectiveness of such discussions, the Chairman will be provided with objective information about each Director
