About Torian:

Torian Resources Ltd (**ASX:TNR**) is a highly active gold exploration and development company. Following the acquisition of Cascade Resources, the Company has a large and strategic landholding comprising eight projects and over 500km² of tenure located in the Goldfields Region of Western Australia.

Torian's flagship project, Zuleika, is located along the world class Zuleika Shear. The Zuleika Shear is the fourth largest gold producing region in Australia and consistently produces some of the country's highest grade and lowest cost gold mines. Torian's Zuleika project lies north and partly along strike of several major gold deposits including Northern Star's (ASX:NST) 7.0Moz East Kundana Joint Venture and Evolutions (ASX:EVN) 1.8Moz Frogs Legs and White Foil deposits.

The Zuleika Shear has seen significant corporate activity of late with over A\$1 Billion worth of acquisition in the region by major mining companies. Torian's Zuleika project now comprises approximately 223km² making Torian the second largest landholder in this highly sought after region.

Last year Torian drilled 59,345m for a total of 1,319 holes across its projects. The large drilling campaign tested 26 exploration targets and, importantly, made four gold discoveries. This makes Torian one of the most active gold explorers on the ASX.
